

Cindy Bultema

Women's Speaker  Bible Teacher  Blogger

Cindy Bultema loves the Lord, loves life, loves her family, and loves to celebrate!

With over 15 years in ministry, Cindy has trained leaders and created programs within a variety of settings.

Her previous work experiences include working for Bethany Christian Services with adolescent sexual offenders, developing and supervising a transitional housing program for homeless teen moms and their kids, as well as coordinating a state licensed child care program.

In 1999, Cindy was hired as the founding Director of Children's Ministries at a Grand Rapids area mega-church, leading the transition from being a one person department to overseeing 12 staff, equipping 1,000 volunteers, and ministering to 2,700 kids every weekend.

Cindy is now a popular women's speaker, author, blogger, and Bible teacher.

Her personal testimony, **"He Loves Me: A Woman's Journey to Peace,"** was aired worldwide on the "Day of Discovery" television show. In 2013, she was a children's curriculum advisor for Duck Dynasty's **Faith Commander**, as well a Seminar Expert for an upcoming **GriefShare** video series.

Cindy's most recent project is a video driven Bible study titled **"Red Hot Faith: Lessons From a Lukewarm Church"** with RBC Ministries.

Cindy is a member of Carol Kent's national speaking team, as well as an inspiring Speak Up Conference instructor and Proverbs 31 Speaker Coach.

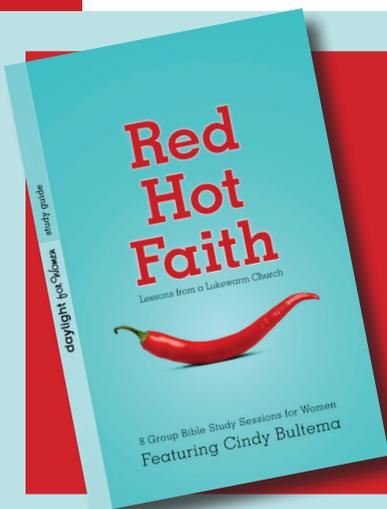

"I am passionate about others knowing the victorious, free, abundant life that Christ offers. Whether it's my family, my friends, or even fast-food workers, I love sharing how awesome God is with anyone and everyone who will listen!"

~ Cindy

Cindy lives in West Michigan with her husband John and their children Jake, Benj, Amanda and Sarah. When she's not running a full household, you can find Cindy walking her adventurous dog Rocky, attending one of their children's sports events, meeting friends for coffee, or serving hot lunch at her kids' school.

Cindy and her family are also active in their home church, Ada Bible Church.

If you're tired of being pulled into a swirling, lukewarm routine of life that keeps you from experiencing God's best, this Bible study is for you!

Cindy takes you on an exciting journey to the land of the Bible to explore the early church of Laodicea (Revelation 3:14-22). Just like us, the people in that church struggled with trying to "juggle it all" and moving out of their comfort zones.

Through eight power-packed sessions, including video teaching, discussion questions, memory verses, "short and sweet" homework lessons, and more, Cindy shows you how to turn up the heat, fuel the fire of your faith, and strengthen your relationship with God.
